

GOLDWATER SCHOLARSHIP CAMPUS INSTRUCTIONS & APPLICATION FORM

CAMPUS DEADLINE FOR SUBMISSION OF APPLICATION: 20 DECEMBER 2024

THE GOLDWATER SCHOLARSHIP:

The Goldwater Scholarship is open to sophomores and juniors who intend to pursue a research career in STEM (intending to pursue doctoral study, by earning a MD or DVM, or combination thereof (MD/PhD or DVM/PhD). For more information regarding [eligibility](#) and what makes for a competitive application, please visit the [Goldwater website](#).

CAMPUS APPLICATION INSTRUCTIONS:

You must submit the following using our “[Submit Materials Tab](#)” on our External Scholarships Website:

- Our [Goldwater Campus Application Form](#) (this is a fillable WORD document; be mindful of the character limits).
- The Goldwater Scholarship Research Essay as described at the end of the Campus Application Form and on the Goldwater Scholarship [website](#).
 - The research essay (3 pages including references, images, footnotes) must adhere to the following format instructions: 1 inch margins all around and 12-point Ariel font.
 - You may work with your research/faculty mentors on the essay.
- The names/contact information of your 3 recommenders + a brief rationale for why you selected those individuals. Please provide your recommenders with the specific information found at the end of this document.
- A detailed CV/resume (no page limit)
- A physically signed & dated [Nomination & Permission Waiver Form](#)

Please note: If you are nominated by the College, you will be provided access to the official form. **IMPT: You may need to use Internet Explorer to complete the form. If you experience difficulty, please respond on a separate sheet and enter “see attached” in the text box for that question.**
